### Summer Grillin'

It's that time again...yes, it is summer, the Dog Days of Summer (July 3 – August 11) to be exact. They say that the Dog Days are the most sultry days of the summer, and we at B&A have a few ideas on how to beat the heat! Whether you are grilling at your house or just want some traditional grilling foods, the event team at B&A is ready to help plan your menu!

B&A offers a wide variety of outdoor foods, but we also offer a cool, bug-free venue for your grillin' party, but you don't want to party without indulging in some of our scrumptious delicacies. B&A serves up many foods of tradition, but is in no way...traditional. From dry-rubbed ribs, potato salad and baked beans to deli sandwiches, fresh fruit and pasta salad, B&A can fix you up right in this Alabama summer heat!

Whatever your fancy, the B&A event team eagerly awaits the opportunity to plan a delicious and fun menu for you, your friends and family this summer! Please visit us at [www.bawarehouse.com](http://www.bawarehouse.com) to check out our many menu offerings.
