Welcome to *B&A Bites!*

Calling All Brides!!!

This June newsletter is dedicated to you! It is time for engagement parties, rehearsal dinners, wedding receptions, etc. Do you have a venue? A caterer? Well, B&A can help you kill two birds with one stone; have your special event with us! From planning your menu to bustling your wedding gown, we at B&A are here to meet your every need.

It is all about the experience at B&A! Your wedding reception should be the happiest day of your life, and the event team at B&A wants to make sure that your special day is perfect! We also want to make sure that your married life starts off on a yummy note! From the beginning to the end of your reception, it is all about you, your groom and the food! When you first arrive at B&A, we take you into the office and feed you! Your drink of choice and your favorite foods will be waiting for you to enjoy. We make it a point to NEVER run out of food during a reception. And when you make your departure from B&A, we again, feed you! A "Bride's Bag" will be waiting for you in your get-away car. In this bag will be slices of both the bride's and groom's cake, nibbles of your food and a bottle of Champagne. This is just one way we party at B&A, for other event information, visit our newly constructed web-site.
